

Mobile Check-in Guide

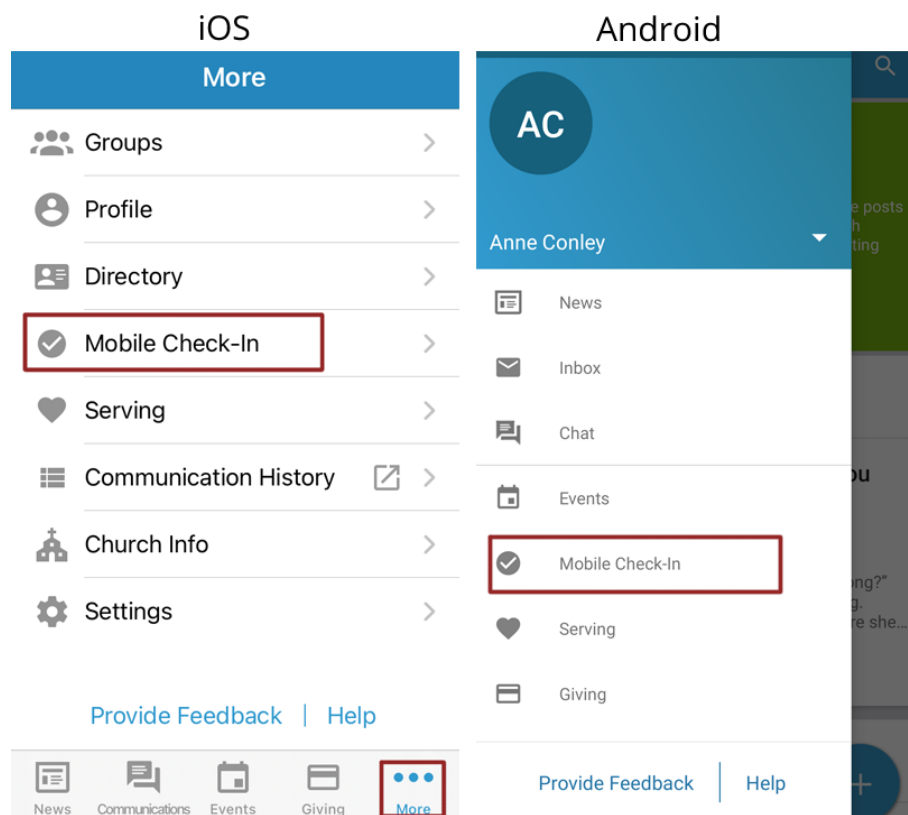

Save Time and Check-In Using Your Mobile Device

Aldersgate Church now has a contact-less way to sign-in for Worship, Sunday School, or any meeting/event you may be attending. Be sure to download the Realm Connect App on your mobile device. If you need help downloading the app,

If Realm Connect app notifications are enabled, you will receive a notification for upcoming mobile check-in events. You can tap this notification to start the check-in process.

Notifications appear 1 hour prior to the start of an event, and is available in the Connect App up to 4 hours prior to the start of the event. If you do not receive a notification, sign-in to Realm Connect and tap the **Mobile Check-In** option from your app's main menu instead.

If an event has the option for in person and online attendance, you can select between them during check-in.

You can also view and update your child's emergency contact.

With mobile check-in, you can check your entire family in for all events at one time from your mobile device.

When you tap **Check-In**, you'll see an overview that displays when check-in is completed.

Here, check-in for James is complete because he is attending his event online.
